

English Shetland Sheepdog Championship Show The Kennel Club Building

Saturday 15th October 2022 : Bitches , judge Marion ten Cate (Own Delight)

Of course do I like to thank the ESSC members to give me the honor to judge this show. With an entry of 99 bitches I consider this one of the Highlights of my career as a Sheltie judge. With so many bitches there is plenty to choose. So at the end I had a wonderful line up with lots of bitches who had plenty quality to win the CC. So thank you all for this wonderful entry. A big thank you to the committee to make this show possible. It is very hard work for them. Also a big thank you to my ring steward Mr. Gruszka and my secretary in the ring. Who supported me a lot.
